

Award winning air treatment & lifestyle products

Solenco CF8500 Multi-Stage Air Purifier

With its innovative Swiss design this unit offers extremely high air filtration efficiency, capturing and destroying airborne particles including allergens, viruses, bacteria, pollen, dust, smoke and pet dander.

Pre- Filter	Removes large airborne particles.
Now with H13 HEPA Filter	Captures 99.975% of harmful particles such as dust, pollen, pet dander, mould spores and traps bacteria & viruses down to 0.1 micron in size.
Activated Carbon Filter	Removes volatile organic compounds (VOCs), odours and other gaseous pollutants from the air.
UV-C Lamp & Photocatalyst (PCO)	A powerful air purification technology that has the ability to destroy particles, bacteria and viruses as small as 0.001 microns.

Solenco CF8500 Air Purifier

The CF8500 has the ability to capture 99.975% of airborne particles such as pollen, dust, smoke and pet dander, while also trapping airborne bacteria and viruses down to 0.1 micron in size.

This extremely efficient filtration system will help in alleviating the effects of allergies including asthma and hay fever (allergic rhinitis). The CF8500 has been awarded the Allergy Foundation of South Africa's Seal of Approval.

This unit is perfectly suited to protect your personal spaces including offices, bedrooms, dental surgeries, doctors offices and many more.

Key Features:

- 5-stage air purification system
- Reduces bacteria and viruses
- H13 medical grade HEPA filter
- UV-C lamp and PCO
- Filters have a rubber gasket seal to ensure that no air leaves the air purifier uncleaned.
- Innovative Swiss design
- Feather touch control panel
- Energy-efficient (50 watts)
- 3 speed setting
- Timer with 3 settings (2hr, 4hr and 8hr)
- Filter replacement indicator
- Sleep mode

Technical Specifications

For Rooms	Up to 25m ² (60m ³) @ 4 Air Cycles/Hour
Sound Levels	30dB(L), 40dB(M), 50dB(H)
Power Supply	230V/50Hz
Power Consumption	50W
CADR Rating	204 m ³ /h (120CFM)
Filters	Prefilter, H13 HEPA, Carbon, UV-C & PCO
Filter Lifespan	6 - 12 months
UV Light	Wavelength 254 nanometres
UV-C Lamp & PCO Life	20 000hrs (4 yrs @ 12hrs/day)
Dimensions mm	390 x 145 x 428 (w x d x h)
Nett Weight	4.5kg

91m² (218m³) @ 1 ACH / 45m² (108m³) @ 2 ACH / 30m² (72m³) @ 3 ACH
