Colour: ■ Black With Matching Interior

*Low-E, double-paned glass with argon gas is designed to minimise condensation, though moisture may still occur in high humidity or with frequent door use.

Suggested Applications: **Kitchens, Home Bars,
Entertainment Areas, Offices, Pubs & Restaurants**

Please Note:

Make sure that Under-Counter Beverage Coolers have enough room to "breathe" i.e. ventilation. Stifling can cause the unit to malfunction or sweat. *Measurements include door handles and hinges where applicable. Adjustable Leveling Feet (+/- 10mm)
