

MeacoDry Arete® Two 12L Dual Dehumidifier and HEPA Air Purifier Wi-Fi Enabled, Quiet, and Compact

The MeacoDry Arete® Two 12L is perfect for South African homes with up to three bedrooms, combining efficient dehumidification with HEPA air purification. With Wi-Fi connectivity, a redesigned LCD control panel, and ultra-quiet operation, it delivers exceptional performance and comfort.

- **Ideal for Smaller to Medium Homes:** Effectively manages humidity and air quality in homes with up to three bedrooms.
- **Wi-Fi Enabled:** Control and monitor your dehumidifier remotely using the Meaco app, offering ultimate convenience.
- **Redesigned Control Panel:** Sleek and intuitive LCD display provides clear information on settings and real-time performance.
- **Dual Functionality:** Combines efficient dehumidification with HEPA air purification for healthier indoor air.
- **Ultra-Quiet Operation:** Operates at just 35dB, making it ideal for use in bedrooms or workspaces.
- **Energy Efficient:** Minimal electricity consumption, at R0.38 per hour, saving money while protecting your home from damp and mould.
- **Compact Design:** Space-saving and modern, seamlessly fits into any room.
- **User-Friendly Features:** Includes a child lock, adjustable timer, and 5-year warranty for peace of mind.
